

REMARKS

Applicants respectfully request entry of the claim amendments set forth herein, which remove limitations directed to fragments. This amendment is filed before payment of the issue fee.

In the unlikely event that the transmittal letter is separated from this document and the U.S. Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to our Deposit Account No. 03-1952, referencing docket number 271122003713. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
